

# IsaFruits<sup>®</sup>

IsaFruits is a premium variety of over 30 natural fruits needed each day. Helps you get your daily servings of fruit in just one convenient scoop!

## Reasons why IsaFruits is like no other product:

- IsaFruits provides over 30 different incredible fruits in one convenient scoop. Mixed with water, IsaFruits easily helps you get the recommended 2–4 servings of fruits every day in only 15 calories per scoop.
- The proprietary formula is free of any fillers, binders, waxes, alcohols and artificial preservatives. IsaFruits is tested to be free of herbicides, pesticides and heavy metals.
- The fruit ingredients in IsaFruits are cold processed to preserve enzymes.
- IsaFruits contains only one gram of sugar.
- IsaFruits are a great way for children to get enough fruit-derived nutrients in their diets daily. Children who regularly consume a variety of fruit daily typically do better in school and have healthier lifestyles in the future.

## Frequently Asked Questions

### What makes IsaFruits unique?

IsaFruits contains over 30 fruits in just one convenient scoop. That's more than 20 pounds of fresh fruit into one IsaFruits container. They are cold processed to preserve enzymes.

### Are there any additives or chemicals?

IsaFruits contains only natural, healthy nutrients for your body. Our proprietary formula is free of any fillers, binders, waxes, alcohols, and artificial preservatives.

### How does IsaFruits support Nutritional Cleansing?

IsaFruits makes it easy for you to get your 2–4 servings of fruits every day. It tastes great and has only 1 gram of sugar and 15 calories per scoop. Benefits from drinking IsaFruits regularly can range from improved mental clarity and skin to supporting your immune system. You may also experience:

- Greater energy
- Fewer signs of premature aging
- Protection against illness\*
- Greater overall health

### Why is this a great product for children?

Recent research shows that most children rarely eat enough fruit. Isagenix first chose to include IsaFruits as a product for this very reason. There's a great need for an easy, healthy way for children to get enough fruit-derived nutrients in their diets daily. Children who regularly consume a variety of fruit daily typically do better in school and have healthier lifestyles in the future.
